

Sacco Society was registered in 1972 under co-operative Act with catchments area being Ministry of Roads & Public Works.

Following the liberalization of the Sacco movement in the 1990's and inter-ministerial transfers the Society membership became open to other Ministries, Parastatal bodies and private organizations so as to boost its capital basis.

The society was formed on the following objectives;

- To promote thrift among members through systematic savings.
- To provide a cheap source of credit to its members.
- To strengthen a common bond among the members.
